

Japanese Course for Foreign Exchange Students Syllabus

Class Name	Japanese VIII (B(A)) [Watching dramas]
Offered semester	Fall Semester
Topic	Developing Japanese language skills and learning about Japan's society through Japanese dramas.
Class Outline	Students will watch Japanese dramas and movies, and understand the contents and background by using the vocabulary list. The students are required to answer and explain to the given questions orally or by written materials. Role-play presentations will be done after dictating important phrases or expressions from the scenes and understanding the character's emotions.
Objectives	<ol style="list-style-type: none">1) Using dramas and movies, this class aims to help students to listen and understand Japanese spoken at native level speed.2) Students refine their understanding of the social contexts and the aspects of Japanese culture portrayed within these dramas and movies.3) Students develop an advanced command of Japanese that allows them to explain the content of these materials in their own words.
Class Format	Lectures
