Messages from Alumni

Aki (Japan/Philippine)

My experience on this online class was amazing. It is a perfect place to start learning Japanese and make new friends from all over the world. The teachers are great, they are very helpful and patient. There are also a lot of activities and exercises that really developed my Japanese conversation skills. At first, I only knew a few Japanese words, but after I took this class, I've gained confidence speaking in Japanese. Thank you Kobe YMCA!

How was the teaching material (PowerPoint)?
