Hello Olivia! My name is Mari Nakamoto. I'm a third-year student here at Kokuba High School. We're very excited about your upcoming visit to our school! Our class consists of 32 students, both male and female. We are one of five third-year classes in our high school. All of us love English, so we're excited to practice English with you and to get to know you. In addition, we're very interested in your country. When you come, would you mind telling us a few things about Australia? We're especially curious about the food and exotic wildlife there. Well, thank you for your attention to this email message, and we look forward to seeing you soon!

Yours truly,

Mari
