# The Spirit of Founding

## 「Develop human resources capable of self-reliance and self-sufficiency」 admission policy

Beppu Mizobe Gakuen College's founding spirit is " Develop human resources capable of self-reliance and self-sufficiency. Aiming to nurture individuals who can be self-reliant and self-supporting , students are required to have a solid human nature to survive in a rapidly changing society; the ability to analyze himself / herself, think logically, and manage him / herself, which is essential in any society ; ideas and insights beyond individual academic fields and the ability to identify and solve problems from multiple perspectives; and the ability to demonstrate these abilities to work independently and collaboratively to tackle problems. Mizobe Gakuen College aims to nurture individuals with highly specialized and practical skills that are unique to Mizobe Gakuen, who are able to work independently and collaboratively to address issues and demonstrate their abilities in society.

Beppu Mizobe Gakuen College seeks individuals who understand these objectives and possess the qualities to achieve them. Specifically, we are looking for the following individuals

|                           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |

- \* 1 Accepted students must bear all additional processing fees incurred when wiring/transferring payments.
- \* 2 This bank account is only for internal use. If you want to send through overseas transferring, consult with [ss@bm.mizobe.ac.jp](mailto:ss@bm.mizobe.ac.jp) .

(6) Notes and Cautions Regarding Enrollment Procedures

- ⑤ The Enrollment Fee and Examination Fee will not be returned to accepted students in the case that they decide to not enroll due to personal reasons.
- ⑥ Accepted students who do not pay the Enrollment Fee by the College’s designated deadline will be considered as having declined enrollment.

## 【8】 Fee Structure

|                                 | Department of Contemporary Life Design (spring/ Fall)                  |                                                                        | Department of Food and Nutrition (Spring/ Fall) |  |

- Note \* 1) The actual amount of Study Materials that were used will be calculated at the end of each academic year and before graduation. The student will need to pay additional fees if the amount used exceeded the original amount paid.
- Note \* 2) We require the disaster and accident insurance for student education research and Comprehensive Insurance for Students Lives Coupled with "Gakkensai"for International Student and Gakken Accident Incidental Liability Insurance
- Note \* 3) If there is a balance of bank transfer fees, they will be settled after arriving in Japan.
- Note \* 4) Insurance and Study Materials costs may change. The information listed is current as of SEP 2026.

## 【9】 Scholarships

Accepted students are able to apply for the following limited scholarships. Limited scholarship recipients will be selected based on an internal/external screening after application.

- ① Iuchi foundation -80,000 yen Monthly  
\* Iuchi Foundation Scholars are only eligible for international students from Myanmar.
- ② Rotary Yoneyama Memorial Undergraduate Course Scholarship - 70,000 Yen Monthly
- ③ Japan Student Services Organization (JASSO) Scholarship - 48,000 Yen Monthly
- ④ Oita Prefectural Government International Student Scholarship - 30,000 Yen Monthly
- ⑤ Suzuki Ikuei foundation Scholarship – 20,000 Yen Monthly

## 【10】 International Student Dormitory Use

The advantage of living in a dormitory is that both men's and women's dormitories are cheaper than private dormitories. In order to be able to live immediately after enrollment, we recommend that you move into a dormitory at the beginning of arrival because you have prepared an environment where you can get used to living in a foreign country, such as preparing daily necessities as equipment for shared use.

### Dormitory Related Expenses

#### (1) Dormitory Fees

| Fee                        | Amount                                                                                  | Payment Method                                                                                                                                                            |
|----------------------------|-----------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Dormitory registration fee | 50,000 Yen                                                                              | Total payment at the time of enrollment<br>Total 146,000 yen<br>Includes 4 months' rent<br>From 4 months onwards, payment will be made on the specified date every month. |
| Dormitory fee              | 24,000Yen (Monthly)                                                                     |                                                                                                                                                                           |
| Utility fee                | The fees will be obeyed for the dormitory rules so does amount of money in every month. |                                                                                                                                                                           |

- (2) All of the electrical appliances provided by the College are to be used communally by dormitory residents.
- (3) The dormitory kitchen, toilets, and shower room are for communal use. Dormitory residents will be in charge of cleaning these facilities. The residence of the dormitory needs to pay cleaning fee of the agent of the cleaning.
- (4) An individual resident who causes damage to dormitory facilities in addition to damage or loss of dormitory equipment or fixtures will bear full financial responsibility. All dormitory residents will be responsible in the case of damage/loss of goods that were used communally.
- (5) As a general rule, leaving the dormitory within six months is not permitted.  
The dormitory fee paid is not refundable for any reason.
